About this project

Infinity (Dedeman) is a modern beachfront residential development located in Gaziveren within the Lefke region of Northern Cyprus. Positioned directly along the Mediterranean coastline, the project offers stunning sea views and a relaxed coastal environment while combining residential living with the service concept associated with the Dedeman hospitality brand. This 1+1 apartment features a contemporary layout designed for comfort and practicality. The interior typically includes a spacious bedroom, an open-plan living and kitchen area, and a private balcony or terrace that allows residents to enjoy fresh sea air and scenic views. Large windows bring natural light into the living space, creating a bright and welcoming atmosphere suitable for both everyday living and holiday stays. Infinity (Dedeman) is designed as a resort-style community with landscaped communal areas, swimming pools, wellness facilities, and easy access to the beach. Gaziveren has become one of the most attractive coastal investment locations on the west coast of North Cyprus, making this 1+1 apartment a strong opportunity for holiday use, rental income, or long-term property investment.
