About this project

Puro is a contemporary residential development located in Esentepe within the Kyrenia region of Northern Cyprus. Set along the scenic northern Mediterranean coastline, the project offers panoramic sea and mountain views in a peaceful environment while remaining within easy driving distance of Kyrenia city center and the renowned Korineum Golf & Country Club. This 1+1 Penthouse (Type C) offers a stylish and modern layout designed to maximize space, privacy, and natural light. The property typically includes a spacious bedroom, an open-plan living and kitchen area, and expansive private terraces that provide elevated views of the surrounding coastal landscape. The penthouse position ensures enhanced privacy and a premium living experience. Puro combines contemporary architectural design with landscaped surroundings and a relaxed Mediterranean lifestyle. With its prime location in Esentepe and proximity to beaches, restaurants, and leisure facilities, this 1+1 penthouse represents an excellent opportunity for holiday use, rental income, or long-term property investment in North Cyprus.
